

SHPE Santa Barbara Scholarship 2020

SHPE-SB aims to prepare UCSB and SBCC student chapter members for careers in STEM fields through educational

workshops, mentoring, assisting with chapter activities and providing scholarships.

On behalf of the Santa Barbara Professional Chapter of the Society of Hispanic Professional Engineers (SHPE-SB), we would like to encourage you to apply for the SHPE-SB scholarship.

Our chapter is enthusiastic in offering scholarships for the 2020-2021 school year.

It is very important that each section of the application be completed and submitted correctly.

THE SELECTION COMMITTEE WILL DISQUALIFY YOUR APPLICATION IF ANY SECTION IS INCOMPLETE.

The scholarship application deadline is Sunday, December 6, 2020. No applications will be accepted after this date.

Applicants will be notified of the results in January of 2021 at their respective student organization meetings.

Prompt
#1

Things to Consider:

Focus on the impact. How did your community/family guide your choices in life whether positive or negative? Is there a problem in your community that you hope to address? If so, how? Focus on telling not showing.

14. Describe how your community and/or family has impacted your academic pursuits. *

Responses are limited to 350 words or less.

Prompt
#2

Things to Consider:

Cite significant hardships to you that were due to financial reasons. Provide and discuss an example. Think about the ways your financial situation may differ from your peers. Are you the guardian of a younger sibling? Do you work multiple jobs? Do you have children? Do you commute? Do you lack some materials that may be expected to have while in college (example, computer)? Focus on telling not showing. Focus on the result of this hardship and how it has influence your choices.

15. Describe your financial need. *

Responses are limited to 350 words or less.

Prompt #3

Things to Consider:

Focus on telling the results of your participation do not show us or put us in the moment.

Was there an event or meeting that made you influence a change in your thinking? Were you exposed to something that you had not been before? Describe a contribution you made to the organization and the motivation/purpose. Consider why organizations like SHPE exist? How did this experience influence future decisions.

16. Provide one example of your involvement in SHPE and the results of that experience *

Responses are limited to 350 words or less.
